Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

After review of the Examiner's Restriction Requirement issued January 15, 2008, Applicants' note that the USPTO has erroneously entered as the Specification and claims for the present application the specification and claims from Applicants' previous PCT application PCT/FI2002/00113.

The current application was filed as the National Stage application of International Application No. PCT/FI2003/000946, which has the international filing date of December 11, 2003, as can be seen by the attached New Application Transmittal and Application Data Sheet submitted for the current application on June 9, 2005.

Applicants note that the Specification and claims listed in the PAIR Image File Wrapper for the above-identified application are actually from PCT/FI2002/00113. This is a previous PCT

application of the Applicants, published as WO 02/066617 that was submitted with an Information Disclosure Statement on June 9, 2005 and filed as prior art related to the present invention. As such, Applicants believe that the USPTO erroneously entered the Specification and claims from PCT/FI2002/00113 as the present application instead of those of the correct PCT/FI2003/000946 application.

Applicants respectfully request that:

- 1) the Examiner PROMPTLY withdraw and vacate the Restriction Requirement mailed January 15, 2008 in the present application,**
- 2) enter as the proper specification and claims for this application those of International Application number is PCT/FI2003/000946, published as WO 2004/053158, filed June 9, 2005,**
- 3) review the claims of the proper application, and**
- 4) issue an appropriate Office Action.**

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Mark J. Nuell Reg. No. 36,623 at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37.C.F.R. §§1.16 or 1.14; particularly, extension of time fees.

Dated: March 7, 2008
